CONSIDERATION FOR  
SUPPLEMENTAL  
INDENTURE.

NOW, THEREFORE, THIS INDENTURE WITNESSETH: That The Detroit Edison Company, in consideration of the premises and of the covenants contained in the Indenture and of the sum of One Dollar (\$1.00) and other good and valuable consideration to it duly paid by the Trustee at or before the ensealing and delivery of these presents, the receipt whereof is hereby acknowledged, hereby covenants and agrees to and with the Trustee and its successors in the trusts under the Original Indenture and in said indentures supplemental thereto as follows:

PART I.  
CREATION OF THREE HUNDRED THIRTY-NINTH  
SERIES OF BONDS, GENERAL  
AND REFUNDING MORTGAGE BONDS,  
2005 SERIES A BONDS

TERMS OF  
BONDS OF  
2005 SERIES A.

SECTION 1. The Company hereby creates the three hundred thirty-ninth series of bonds to be issued under and secured by the Original Indenture as amended to date and as further amended by this Supplemental Indenture, to be designated, and to be distinguished from

the bonds of all other series, by the title "General and Refunding Mortgage Bonds, 2005 Series A" (elsewhere herein referred to as the "bonds of 2005 Series A"). The aggregate principal amount of bonds of 2005 Series A shall be limited to two hundred million dollars (\$200,000,000), except as provided in Sections 7 and 13 of Article II of the Original Indenture with respect to exchanges and replacements of bonds, and except further that the Company may, without the consent of any holder of the bonds of 2005 Series A, "reopen" the bonds of 2005 Series A so as to increase the aggregate principal amount outstanding to equal the aggregate principal amount of Notes (as defined below) outstanding upon a "reopening" of the series, so long as any additional bonds of 2005 Series A have the same tenor and terms as the bonds of 2005 Series A established hereby.

Subject to the release provisions set forth below, each bond of 2005 Series A is to be irrevocably assigned to, and registered in the name of, J.P. Morgan Trust Company, National Association, as trustee, or a successor trustee (said trustee or any successor trustee being hereinafter referred to as the "Note Indenture Trustee"), under the collateral trust indenture, dated as of June 30, 1993 (the "Note Indenture"), as supplemented, between the Note Indenture Trustee and the Company, to secure payment of the Company's 2005 Series A 4.80% Senior Notes due 2015 (for purposes of this Part I, the "4.80% Notes").

The bonds of 2005 Series A shall be issued as registered bonds without coupons in denominations of a multiple of \$1,000. The bonds of 2005 Series A shall be issued in the aggregate principal amount of \$200,000,000, shall mature on February 15, 2015 (subject to earlier redemption or release) and shall bear interest at the rate of 4.80% per annum, payable semi-annually in arrears on February 15 and August 15 of each year (commencing August 15, 2005), until the principal thereof shall have become due and payable and thereafter until the Company's obligation with respect to the payment of said principal shall have been discharged as provided in the Indenture. The bonds of 2005 Series A shall bear additional interest ("Additional Interest") pursuant to that certain Registration Rights Agreement, dated as of February 7, 2005, among the Company and the other parties named therein upon the occurrence of any Registration Default (as defined therein). Additional Interest shall be payable on the applicable interest payment dates to the same persons and in the same manner as provided herein for payments of ordinary interest.

The bonds of 2005 Series A shall be payable as to principal, premium, if any, and interest as provided in the Indenture, but only to the extent and in the manner herein provided. The bonds of 2005 Series A shall be payable, both as to principal and interest, at the office or agency of the Company in the Borough of Manhattan, the City and State of New York, in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts.

Except as provided herein, each bond of 2005 Series A shall be dated the date of its authentication and interest shall be payable on the principal represented thereby from the February 15 or August 15 next preceding the date thereof to which interest has been paid on bonds of 2005 Series A, unless the bond is authenticated on a date to which interest has been paid, in which case interest shall be payable from the date of authentication, or unless the date of authentication is prior to August 15, 2005, in which case interest shall be payable from February 7, 2005.

The bonds of 2005 Series A in definitive form shall be, at the election of the Company, fully engraved or shall be lithographed or printed in authorized denominations as aforesaid and numbered 1 and upwards (with such further designation as may be appropriate and desirable to indicate by such designation the form, series and denomination of bonds of 2005 Series A). Until bonds of 2005 Series A in definitive form are ready for delivery, the Company may execute, and upon its request in writing the Trustee shall authenticate and deliver in lieu thereof, bonds of 2005 Series A in temporary form, as provided in Section 10 of Article II of the Indenture. Temporary bonds of 2005 Series A, if any, may be printed and may be issued in authorized denominations in substantially the form of definitive bonds of 2005 Series A, but without a recital of redemption prices and with such omissions, insertions and variations as may be appropriate for temporary bonds, all as may be determined by the Company.

Interest on any bond of 2005 Series A that is payable on any interest payment date and is punctually paid or duly provided for shall be paid to the person in whose name that bond, or any previous bond to the extent evidencing the same debt as that evidenced by that bond, is registered at the close of business on the regular record date for such interest, which regular record date shall be the fifteenth calendar day (whether or not a business day) next preceding such interest payment date. If the Company shall default in the payment of the interest due on any interest payment date on the principal represented by any bond of 2005 Series A, such defaulted interest shall forthwith cease to be payable to the registered holder of that bond on the relevant regular record date by virtue of his having been such holder, and such

defaulted interest may be paid to the registered holder of that bond (or any bond or bonds of 2005 Series A issued upon transfer or exchange thereof) on the date of payment of such defaulted interest or, at the election of the Company, to the person in whose name that bond (or any bond or bonds of 2005 Series A issued upon transfer or exchange thereof) is registered on a subsequent record date established by notice given by mail by or on behalf of the Company to the holders of bonds of 2005 Series A not less than ten (10) days preceding such subsequent record date, which subsequent record date shall be at least five (5) days prior to the payment date of such defaulted interest.

Bonds of 2005 Series A shall not be assignable or transferable except as may be set forth under Section 405 of the Note Indenture or in the supplemental note indenture relating to the 4.80% Notes, or, subject to compliance with applicable law, as may be involved in the course of the exercise of rights and remedies consequent upon an Event of Default under the Note Indenture. Any such transfer shall be made upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, the City and State of New York, together with a written instrument of transfer (if so required by the Company or by the Trustee) in form approved by the Company duly executed by the holder or by its duly authorized attorney. Bonds of 2005 Series A shall in the same manner be exchangeable for a like aggregate principal amount of bonds of 2005 Series A upon the terms and conditions specified herein and in Section 7 of Article II of the Indenture. The Company waives its rights under Section 7 of Article II of the Indenture not to make exchanges or transfers of bonds of 2005 Series A during any period of ten (10) days next preceding any redemption date for such bonds.

Bonds of 2005 Series A, in definitive and temporary form, may bear such legends as may be necessary to comply with any law or with any rules or regulations made pursuant thereto or as may be specified in the Note Indenture.

Upon payment of the principal or premium, if any, or interest on the 4.80% Notes, whether at maturity or prior to maturity by redemption or otherwise, or upon provision for the payment thereof having been made in accordance with Article V of the Note Indenture, bonds of 2005 Series A in a principal amount equal to the principal amount of such 4.80% Notes, shall, to the extent of such payment of principal, premium or interest, be deemed fully paid and the obligation of the Company thereunder to make such payment shall forthwith cease and be discharged, and, in the case of the payment of principal and premium, if any, such bonds shall be surrendered for cancellation or presented for appropriate notation to the Trustee.

RELEASE.	From and after the Release Date (as defined in the Note Indenture), the bonds of 2005 Series A shall be deemed fully paid, satisfied and discharged and the obligation of the Company thereunder shall be terminated. On the Release Date, the bonds of 2005 Series A shall be surrendered to and canceled by the Trustee. The Company covenants and agrees that, prior to the Release Date, it will not take any action that would cause the outstanding principal amount of the bonds of 2005 Series A to be less than the then outstanding principal amount of the 4.80% Notes.
REDEMPTION OF BONDS OF 2005 SERIES A.	<p>SECTION 2. Bonds of 2005 Series A shall be redeemed on the respective dates and in the respective principal amounts which correspond to the redemption dates for, and the principal amounts to be redeemed of, the 4.80% Notes.</p> <p>In the event the Company elects to redeem any 4.80% Notes prior to maturity in accordance with the provisions of the Note Indenture, the Company shall give the Trustee notice of redemption of bonds of 2005 Series A on the same date as it gives notice of redemption of 4.80% Notes to the Note Indenture Trustee.</p>
REDEMPTION OF BONDS OF 2005 SERIES A IN EVENT OF ACCELERATION OF NOTES.	<p>SECTION 3. In the event of an Event of Default under the Note Indenture and the acceleration of all 4.80% Notes, the bonds of 2005 Series A shall be redeemable in whole upon receipt by the Trustee of a written demand (hereinafter called a "Redemption Demand") from the Note Indenture Trustee stating that there has occurred under the Note Indenture both an Event of Default and a declaration of acceleration of payment of principal, accrued interest and premium, if any, on the 4.80% Notes, specifying the last date to which interest on the 4.80% Notes has been paid (such date being hereinafter referred to as the "Initial Interest Accrual Date") and demanding redemption of the bonds of said series. The Trustee shall, within five (5) days after receiving such Redemption Demand, mail a copy thereof to the Company marked to indicate the date of its receipt by the Trustee. Promptly upon receipt by the Company of such copy of a Redemption Demand, the Company shall fix a date on which it will redeem the bonds of said series so demanded to be redeemed (hereinafter called the "Demand Redemption Date"). Notice of the date fixed as the Demand Redemption Date shall be mailed by the Company to the Trustee at least ten (10) days prior to such Demand Redemption Date. The date to be fixed by the Company as and for the Demand Redemption Date may be any date up to and including the earlier of (x) the 60th day after receipt by the Trustee of the Redemption Demand or (y) the maturity date of such bonds first occurring following the 20th day after the receipt by the Trustee of the Redemption Demand; provided, however,</p>

that if the Trustee shall not have received such notice fixing the Demand Redemption Date on or before the 10th day preceding the earlier of such dates, the Demand Redemption Date shall be deemed to be the earlier of such dates. The Trustee shall mail notice of the Demand Redemption Date (such notice being hereinafter called the "Demand Redemption Notice") to the Note Indenture Trustee not more than ten (10) nor less than five (5) days prior to the Demand Redemption Date.

Each bond of 2005 Series A shall be redeemed by the Company on the Demand Redemption Date therefor upon surrender thereof by the Note Indenture Trustee to the Trustee at a redemption price equal to the principal amount thereof plus accrued interest thereon at the rate specified for such bond from the Initial Interest Accrual Date to the Demand Redemption Date plus an amount equal to the aggregate premium, if any, due and payable on such Demand Redemption Date on all 4.80% Notes; provided, however, that in the event of a receipt by the Trustee of a notice that, pursuant to Section 602 of the Note Indenture, the Note Indenture Trustee has terminated proceedings to enforce any right under the Note Indenture, then any Redemption Demand shall thereby be rescinded by the Note Indenture Trustee, and no Demand Redemption Notice shall be given, or, if already given, shall be automatically annulled; but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Anything herein contained to the contrary notwithstanding, the Trustee is not authorized to take any action pursuant to a Redemption Demand and such Redemption Demand shall be of no force or effect, unless it is executed in the name of the Note Indenture Trustee by its President or one of its Vice Presidents.

[FORM OF REVERSE OF BOND]

This bond is one of an authorized issue of bonds of the Company, unlimited as to amount except as provided in the Indenture hereinafter mentioned or any indentures supplemental thereto, and is one of a series of General and Refunding Mortgage Bonds known as 2005 Series A, limited to an aggregate principal amount of \$200,000,000, except as otherwise provided in the Indenture hereinafter mentioned. This bond and all other bonds of said series are issued and to be issued

under, and are all equally and ratably secured (except insofar as any sinking, amortization, improvement or analogous fund, established in accordance with the provisions of the Indenture hereinafter mentioned, may afford additional security for the bonds of any particular series and except as provided in Section 3 of Article VI of said Indenture) by an Indenture, dated as of October 1, 1924, duly executed by the Company to J.P. Morgan Trust Company, National Association, as successor in interest to Bank One, National Association, as Trustee, to which Indenture and all indentures supplemental thereto (including the Supplemental Indenture dated as of February 1, 2005) reference is hereby made for a description of the properties and franchises mortgaged and conveyed, the nature and extent of the security, the terms and conditions upon which the bonds are issued and under which additional bonds may be issued, and the rights of the holders of the bonds and of the Trustee in respect of such security (which Indenture and all indentures supplemental thereto, including the Supplemental Indenture dated as of February 1, 2005, are hereinafter collectively called the "Indenture"). As provided in the Indenture, said bonds may be for various principal sums and are issuable in series, which may mature at different times, may bear interest at different rates and may otherwise vary as in said Indenture provided. With the consent of the Company and to the extent permitted by and as provided in the Indenture, the rights and obligations of the Company and of the holders of the bonds and the terms and provisions of the Indenture, or of any indenture supplemental thereto, may be modified or altered in certain respects by affirmative vote of at least eighty-five percent (85%) in amount of the bonds then outstanding, and, if the rights of one or more, but less than all, series of bonds then outstanding are to be affected by the action proposed to be taken, then also by affirmative vote of at least eighty-five percent (85%) in amount of the series of bonds so to be affected (excluding in every instance bonds disqualified from voting by reason of the Company's interest therein as specified in the Indenture); provided, however, that, without the consent of the holder hereof, no such modification or alteration shall, among other things, affect the terms of payment of the principal of or the interest on this bond, which in those respects is unconditional.

This bond is redeemable prior to the Release Date upon the terms and conditions set forth in the Indenture, including provision for redemption upon demand of the Note Indenture Trustee following the occurrence of an Event of Default under the Note Indenture and the acceleration of the principal of the Notes.

Under the Indenture, funds may be deposited with the Trustee (which shall have become available for payment), in advance of the redemption date of any of the bonds of 2005 Series A (or portions

thereof), in trust for the redemption of such bonds (or portions thereof) and the interest due or to become due thereon, and thereupon all obligations of the Company in respect of such bonds (or portions thereof) so to be redeemed and such interest shall cease and be discharged, and the holders thereof shall thereafter be restricted exclusively to such funds for any and all claims of whatsoever nature on their part under the Indenture or with respect to such bonds (or portions thereof) and interest.

In case an event of default, as defined in the Indenture, shall occur, the principal of all the bonds issued thereunder may become or be declared due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.

Upon payment of the principal of, or premium, if any, or interest on, the Notes, whether at maturity or prior to maturity by redemption or otherwise or upon provision for the payment thereof having been made in accordance with Article V of the Note Indenture, bonds of 2005 Series A in a principal amount equal to the principal amount of such Notes, and having both a corresponding maturity date and interest rate shall, to the extent of such payment of principal, premium or interest, be deemed fully paid and the obligation of the Company thereunder to make such payment shall forthwith cease and be discharged, and, in the case of the payment of principal and premium, if any, such bonds of said series shall be surrendered for cancellation or presented for appropriate notation to the Trustee.

This bond is not assignable or transferable except as set forth under Section 405 of the Note Indenture or in the supplemental indenture relating to the Notes, or, subject to compliance with applicable law, as may be involved in the course of the exercise of rights and remedies consequent upon an Event of Default under the Note Indenture. Any such transfer shall be made by the registered holder hereof, in person or by his attorney duly authorized in writing, on the books of the Company kept at its office or agency in the Borough of Manhattan, the City and State of New York, upon surrender and cancellation of this bond, and thereupon, a new registered bond of the same series of authorized denominations for a like aggregate principal amount will be issued to the transferee in exchange therefor, and this bond with others in like form may in like manner be exchanged for one or more new bonds of the same series of other authorized denominations, but of the same aggregate principal amount, all as provided and upon the terms and conditions set forth in the Indenture, and upon payment, in any event, of the charges prescribed in the Indenture.

From and after the Release Date (as defined in the Note Indenture), the

bonds of 2005 Series A shall be deemed fully paid, satisfied and discharged and the obligation of the Company thereunder shall be terminated. On the Release Date, the bonds of 2005 Series A shall be surrendered to and cancelled by the Trustee. The Company covenants and agrees that, prior to the Release Date, it will not take any action that would cause the outstanding principal amount of the bond of 2005 Series A to be less than the then outstanding principal amount of the Notes.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon or otherwise in respect hereof or of the Indenture, or of any indenture supplemental thereto, against any incorporator, or against any past, present or future stockholder, director or officer, as such, of the Company, or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether for amounts unpaid on stock subscriptions or by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise howsoever; all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released by every holder or owner hereof, as more fully provided in the Indenture.

PART II.  
CREATION OF THREE HUNDRED FORTIETH  
SERIES OF BONDS, GENERAL  
AND REFUNDING MORTGAGE BONDS,  
2005 SERIES B BONDS

TERMS OF  
BONDS OF  
2005 SERIES B.

SECTION 1. The Company hereby creates the three hundred fortieth series of bonds to be issued under and secured by the Original Indenture as amended to date and as further amended by this Supplemental Indenture, to be designated, and to be distinguished from the bonds of all other series, by the title "General and Refunding Mortgage Bonds, 2005 Series B" (elsewhere herein referred to as the "bonds of 2005 Series B"). The aggregate principal amount of bonds of 2005 Series B shall be limited to two hundred million dollars (\$200,000,000), except as provided in Sections 7 and 13 of Article II of the Original Indenture with respect to exchanges and replacements of bonds, and except further that the Company may, without the consent of any holder of the bonds of 2005 Series B, "reopen" the bonds of 2005 Series B so as to increase the aggregate principal amount outstanding to equal the aggregate principal amount of Notes (as defined below) outstanding upon a "reopening" of the series, so long as any additional bonds of 2005 Series B have the same tenor and terms as the bonds of 2005 Series B established hereby.

Subject to the release provisions set forth below, each bond of 2005 Series B is to be irrevocably assigned to, and registered in the name of, J.P. Morgan Trust Company, National Association, as trustee, or a successor trustee (said trustee or any successor trustee being hereinafter referred to as the "Note Indenture Trustee"), under the collateral trust indenture, dated as of June 30, 1993 (the "Note Indenture"), as supplemented, between the Note Indenture Trustee and the Company, to secure payment of the Company's 2005 Series B 5.45% Senior Notes due 2035 (for purposes of this Part II, the "5.45% Notes").

The bonds of 2005 Series B shall be issued as registered bonds without coupons in denominations of a multiple of \$1,000. The bonds of 2005 Series B shall be issued in the aggregate principal amount of \$200,000,000, shall mature on February 15, 2035 (subject to earlier redemption or release) and shall bear interest at the rate of 5.45% per annum, payable semi-annually in arrears on February 15 and August 15 of each year (commencing August 15, 2005), until the principal thereof shall have become due and payable and thereafter until the Company's obligation with respect to the payment of said principal shall have been discharged as provided in the Indenture. The bonds of 2005 Series B shall bear additional interest ("Additional Interest") pursuant to that certain Registration Rights Agreement, dated as of February 7, 2005, among the Company and the other parties named therein upon the occurrence of any Registration Default (as defined therein). Additional Interest shall be payable on the applicable interest payment dates to the same persons and in the same manner as provided herein for payments of ordinary interest.

The bonds of 2005 Series B shall be payable as to principal, premium, if any, and interest as provided in the Indenture, but only to the extent and in the manner herein provided. The bonds of 2005 Series B shall be payable, both as to principal and interest, at the office or agency of the Company in the Borough of Manhattan, the City and State of New York, in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts.

Except as provided herein, each bond of 2005 Series B shall be dated the date of its authentication and interest shall be payable on the principal represented thereby from the February 15 or August 15 next preceding the date thereof to which interest has been paid on bonds of 2005 Series B, unless the bond is authenticated on a date to which interest has been paid, in which case interest shall be payable from the date of authentication, or unless the date of authentication is prior to August 15, 2005, in which case interest shall be payable from February 7, 2005.

The bonds of 2005 Series B in definitive form shall be, at the election of the Company, fully engraved or shall be lithographed or printed in authorized denominations as aforesaid and numbered 1 and upwards (with such further designation as may be appropriate and desirable to indicate by such designation the form, series and denomination of bonds of 2005 Series B). Until bonds of 2005 Series B in definitive form are ready for delivery, the Company may execute, and upon its request in writing the Trustee shall authenticate and deliver in lieu thereof, bonds of 2005 Series B in temporary form, as provided in Section 10 of Article II of the Indenture. Temporary bonds of 2005 Series B, if any, may be printed and may be issued in authorized denominations in substantially the form of definitive bonds of 2005 Series B, but without a recital of redemption prices and with such omissions, insertions and variations as may be appropriate for temporary bonds, all as may be determined by the Company.

Interest on any bond of 2005 Series B that is payable on any interest payment date and is punctually paid or duly provided for shall be paid to the person in whose name that bond, or any previous bond to the extent evidencing the same debt as that evidenced by that bond, is registered at the close of business on the regular record date for such interest, which regular record date shall be the fifteenth calendar day (whether or not a business day) next preceding such interest payment date. If the Company shall default in the payment of the interest due on any interest payment date on the principal represented by any bond of 2005 Series B, such defaulted interest shall forthwith cease to be payable to the registered holder of that bond on the relevant regular record date by virtue of his having been such holder, and such defaulted interest may be paid to the registered holder of that bond (or any bond or bonds of 2005 Series B issued upon transfer or exchange thereof) on the date of payment of such defaulted interest or, at the election of the Company, to the person in whose name that bond (or any bond or bonds of 2005 Series B issued upon transfer or exchange thereof) is registered on a subsequent record date established by notice given by mail by or on behalf of the Company to the holders of bonds of 2005 Series B not less than ten (10) days preceding such subsequent record date, which subsequent record date shall be at least five (5) days prior to the payment date of such defaulted interest.

Bonds of 2005 Series B shall not be assignable or transferable except as may be set forth under Section 405 of the Note Indenture or in the supplemental note indenture relating to the 5.45% Notes, or, subject to compliance with applicable law, as may be involved in the course of the exercise of rights and remedies consequent upon an Event of Default under the Note Indenture. Any such transfer shall be made upon surrender thereof for cancellation at the office or agency of the

Company in the Borough of Manhattan, the City and State of New York, together with a written instrument of transfer (if so required by the Company or by the Trustee) in form approved by the Company duly executed by the holder or by its duly authorized attorney. Bonds of 2005 Series B shall in the same manner be exchangeable for a like aggregate principal amount of bonds of 2005 Series B upon the terms and conditions specified herein and in Section 7 of Article II of the Indenture. The Company waives its rights under Section 7 of Article II of the Indenture not to make exchanges or transfers of bonds of 2005 Series B during any period of ten (10) days next preceding any redemption date for such bonds.

Bonds of 2005 Series B, in definitive and temporary form, may bear such legends as may be necessary to comply with any law or with any rules or regulations made pursuant thereto or as may be specified in the Note Indenture.

Upon payment of the principal or premium, if any, or interest on the 5.45% Notes, whether at maturity or prior to maturity by redemption or otherwise, or upon provision for the payment thereof having been made in accordance with Article V of the Note Indenture, bonds of 2005 Series B in a principal amount equal to the principal amount of such 5.45% Notes, shall, to the extent of such payment of principal, premium or interest, be deemed fully paid and the obligation of the Company thereunder to make such payment shall forthwith cease and be discharged, and, in the case of the payment of principal and premium, if any, such bonds shall be surrendered for cancellation or presented for appropriate notation to the Trustee.

RELEASE. From and after the Release Date (as defined in the Note Indenture), the bonds of 2005 Series B shall be deemed fully paid, satisfied and discharged and the obligation of the Company thereunder shall be terminated. On the Release Date, the bonds of 2005 Series B shall be surrendered to and canceled by the Trustee. The Company covenants and agrees that, prior to the Release Date, it will not take any action that would cause the outstanding principal amount of the bonds of 2005 Series B to be less than the then outstanding principal amount of the 5.45% Notes.

REDEMPTION  
OF  
BONDS OF 2005  
SERIES B. SECTION 2. Bonds of 2005 Series B shall be redeemed on the respective dates and in the respective principal amounts which correspond to the redemption dates for, and the principal amounts to be redeemed of, the 5.45% Notes.

In the event the Company elects to redeem any 5.45% Notes prior to maturity in accordance with the provisions of the Note Indenture, the

Company shall give the Trustee notice of redemption of bonds of 2005 Series B on the same date as it gives notice of redemption of 5.45% Notes to the Note Indenture Trustee.

REDEMPTION  
OF  
BONDS OF 2005  
SERIES B IN  
EVENT OF  
ACCELERATION  
OF  
NOTES.

SECTION 3. In the event of an Event of Default under the Note Indenture and the acceleration of all 5.45% Notes, the bonds of 2005 Series B shall be redeemable in whole upon receipt by the Trustee of a written demand (hereinafter called a "Redemption Demand") from the Note Indenture Trustee stating that there has occurred under the Note Indenture both an Event of Default and a declaration of acceleration of payment of principal, accrued interest and premium, if any, on the 5.45% Notes, specifying the last date to which interest on the 5.45% Notes has been paid (such date being hereinafter referred to as the "Initial Interest Accrual Date") and demanding redemption of the bonds of said series. The Trustee shall, within five (5) days after receiving such Redemption Demand, mail a copy thereof to the Company marked to indicate the date of its receipt by the Trustee. Promptly upon receipt by the Company of such copy of a Redemption Demand, the Company shall fix a date on which it will redeem the bonds of said series so demanded to be redeemed (hereinafter called the "Demand Redemption Date"). Notice of the date fixed as the Demand Redemption Date shall be mailed by the Company to the Trustee at least ten (10) days prior to such Demand Redemption Date. The date to be fixed by the Company as and for the Demand Redemption Date may be any date up to and including the earlier of (x) the 60th day after receipt by the Trustee of the Redemption Demand or (y) the maturity date of such bonds first occurring following the 20th day after the receipt by the Trustee of the Redemption Demand; provided, however, that if the Trustee shall not have received such notice fixing the Demand Redemption Date on or before the 10th day preceding the earlier of such dates, the Demand Redemption Date shall be deemed to be the earlier of such dates. The Trustee shall mail notice of the Demand Redemption Date (such notice being hereinafter called the "Demand Redemption Notice") to the Note Indenture Trustee not more than ten (10) nor less than five (5) days prior to the Demand Redemption Date.

Each bond of 2005 Series B shall be redeemed by the Company on the Demand Redemption Date therefor upon surrender thereof by the Note Indenture Trustee to the Trustee at a redemption price equal to the principal amount thereof plus accrued interest thereon at the rate specified for such bond from the Initial Interest Accrual Date to the Demand Redemption Date plus an amount equal to the aggregate premium, if any, due and payable on such Demand Redemption Date on all 5.45% Notes; provided, however, that in the event of a receipt by the Trustee of a notice that, pursuant to Section 602 of the Note Indenture, the Note Indenture Trustee has terminated proceedings to enforce any

right under the Note Indenture, then any Redemption Demand shall thereby be rescinded by the Note Indenture Trustee, and no Demand Redemption Notice shall be given, or, if already given, shall be automatically annulled; but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Anything herein contained to the contrary notwithstanding, the Trustee is not authorized to take any action pursuant to a Redemption Demand and such Redemption Demand shall be of no force or effect, unless it is executed in the name of the Note Indenture Trustee by its President or one of its Vice Presidents.

FORM OF  
TRUSTEE'S  
CERTIFICATE.

This bond is one of the bonds, of the series designated therein, described in the within-mentioned Indenture.

J.P. MORGAN TRUST COMPANY, NATIONAL ASSOCIATION as  
Trustee

By \_\_\_\_\_  
Authorized Officer

[FORM OF REVERSE OF BOND]

This bond is one of an authorized issue of bonds of the Company, unlimited as to amount except as provided in the Indenture hereinafter mentioned or any indentures supplemental thereto, and is one of a series of General and Refunding Mortgage Bonds known as 2005 Series B, limited to an aggregate principal amount of \$200,000,000, except as otherwise provided in the Indenture hereinafter mentioned. This bond and all other bonds of said series are issued and to be issued under, and are all equally and ratably secured (except insofar as any sinking, amortization, improvement or analogous fund, established in accordance with the provisions of the Indenture hereinafter mentioned, may afford additional security for the bonds of any particular series and except as provided in Section 3 of Article VI of said Indenture) by an Indenture, dated as of October 1, 1924, duly executed by the Company to J.P. Morgan Trust Company, National Association, as successor in interest to Bank One, National Association, as Trustee, to which Indenture and all indentures supplemental thereto (including the Supplemental Indenture dated as of February 1, 2005) reference is hereby made for a description of the properties and franchises mortgaged and conveyed, the nature and extent of the security, the terms and conditions upon which the bonds are issued and under which additional bonds may be issued, and the rights of the holders of the bonds and of the Trustee in respect of such security (which Indenture and all indentures supplemental thereto, including the Supplemental Indenture dated as of February 1, 2005, are hereinafter collectively called the "Indenture"). As provided in the Indenture, said bonds may be for various principal sums and are issuable in series, which may mature at different times, may bear interest at different rates and may otherwise vary as in said Indenture provided. With the consent of the Company and to the extent permitted by and as provided in the Indenture, the rights and obligations of the Company and of the holders of the bonds and the terms and provisions

of the Indenture, or of any indenture supplemental thereto, may be modified or altered in certain respects by affirmative vote of at least eighty-five percent (85%) in amount of the bonds then outstanding, and, if the rights of one or more, but less than all, series of bonds then outstanding are to be affected by the action proposed to be taken, then also by affirmative vote of at least eighty-five percent (85%) in amount of the series of bonds so to be affected (excluding in every instance bonds disqualified from voting by reason of the Company's interest therein as specified in the Indenture); provided, however, that, without the consent of the holder hereof, no such modification or alteration shall, among other things, affect the terms of payment of the principal of or the interest on this bond, which in those respects is unconditional.

This bond is redeemable prior to the Release Date upon the terms and conditions set forth in the Indenture, including provision for redemption upon demand of the Note Indenture Trustee following the occurrence of an Event of Default under the Note Indenture and the acceleration of the principal of the Notes.

Under the Indenture, funds may be deposited with the Trustee (which shall have become available for payment), in advance of the redemption date of any of the bonds of 2005 Series B (or portions thereof), in trust for the redemption of such bonds (or portions thereof) and the interest due or to become due thereon, and thereupon all obligations of the Company in respect of such bonds (or portions thereof) so to be redeemed and such interest shall cease and be discharged, and the holders thereof shall thereafter be restricted exclusively to such funds for any and all claims of whatsoever nature on their part under the Indenture or with respect to such bonds (or portions thereof) and interest.

In case an event of default, as defined in the Indenture, shall occur, the principal of all the bonds issued thereunder may become or be declared due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.

Upon payment of the principal of, or premium, if any, or interest on, the Notes, whether at maturity or prior to maturity by redemption or otherwise or upon provision for the payment thereof having been made in accordance with Article V of the Note Indenture, bonds of 2005 Series B in a principal amount equal to the principal amount of such Notes, and having both a corresponding maturity date and interest rate shall, to the extent of such payment of principal, premium or interest, be deemed fully paid and the obligation of the Company thereunder to make such payment shall forthwith cease and be discharged, and, in the case of the payment of principal and premium, if any, such bonds of said

series shall be surrendered for cancellation or presented for appropriate notation to the Trustee.

This bond is not assignable or transferable except as set forth under Section 405 of the Note Indenture or in the supplemental indenture relating to the Notes, or, subject to compliance with applicable law, as may be involved in the course of the exercise of rights and remedies consequent upon an Event of Default under the Note Indenture. Any such transfer shall be made by the registered holder hereof, in person or by his attorney duly authorized in writing, on the books of the Company kept at its office or agency in the Borough of Manhattan, the City and State of New York, upon surrender and cancellation of this bond, and thereupon, a new registered bond of the same series of authorized denominations for a like aggregate principal amount will be issued to the transferee in exchange therefor, and this bond with others in like form may in like manner be exchanged for one or more new bonds of the same series of other authorized denominations, but of the same aggregate principal amount, all as provided and upon the terms and conditions set forth in the Indenture, and upon payment, in any event, of the charges prescribed in the Indenture.

From and after the Release Date (as defined in the Note Indenture), the bonds of 2005 Series B shall be deemed fully paid, satisfied and discharged and the obligation of the Company thereunder shall be terminated. On the Release Date, the bonds of 2005 Series B shall be surrendered to and cancelled by the Trustee. The Company covenants and agrees that, prior to the Release Date, it will not take any action that would cause the outstanding principal amount of the bond of 2005 Series B to be less than the then outstanding principal amount of the Notes.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon or otherwise in respect hereof or of the Indenture, or of any indenture supplemental thereto, against any incorporator, or against any past, present or future stockholder, director or officer, as such, of the Company, or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether for amounts unpaid on stock subscriptions or by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise howsoever; all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released by every holder or owner hereof, as more fully provided in the Indenture.
